

Every Dollar Counts!

The amazing, reciprocal, life-changing work occurring in Chimbote, Peru has only been possible because of the time, talent, and treasure of donors, volunteers, and mission visitors who respond to a call to serve.

A micro-loan of **\$400** enables an aspiring entrepreneur to start their own business and support their family.

\$17.60 a month provides a student the opportunity to secure their future acquiring skills through vocational training.

\$4000 will build a two bedroom home with wood walls and an eternit roof protecting homeowners from the elements for years to come. **\$5.90** per day offers

a day's work to men in the barrios giving them the opportunity to provide for their families.

44¢ provides a meal to a hungry individual at one of the ACAF supported soup kitchens.

\$350,000 was invested last year transforming lives through education.

Thank You for making a difference in the lives of the people of Chimbote!
