THE CHIMBOTE MISSION

Dignity

Promise

Opportunity

Our Story

Over 40 years ago our mission began with the answered call to live the gospel of Matthew 25 to serve the least of our brothers and sisters. In the beginning there was one small soup kitchen and a few employees to serve over 30,000. With the support of thousands of donors and volunteers from around the world, the mission programs have evolved to serve the many and varied needs of the poor from the most basic needs such as food, shelter and medical care to the liberating and empowering access to education and transformation.

Then and now, the goal of the mission continues to be to help the poorest of the poor escape the despair of poverty.

Walk alongside thousands of families as they journey on the path out of poverty.

Our Services

Guiding us on our journey today are the successes we've been blessed to obtain through years of developing tried-and-true methods, programs, and opportunities.

Building on these experiences has brought us to the services currently offered in Chimbote including:

- Educational Scholarships
- Social Services
- Home Building
- Sewing Training
- Culinary Training
- Bakery
- Carpentry
- Health Assistance
- Soup Kitchens
- Micro-lending

In addition, a robust Mission Visit Program aids in connecting individuals and groups from around the country with the Chimbote Mission.

Through the Mission Visit Program, homes are built, roofs are added, furniture and other goods are provided, and lives are forever changed for Chimbotanos and mission visitors.

Contact Friends of Chimbote's Executive Director, Todd Mickelson at 701-364-0162 to learn more about the organization's life-changing mission programs.

Our Hope

Great progress and successes have been accomplished over the decades with thousands of families lifted out of poverty. This provides Friends of Chimbote supporters and volunteers with the opportunity to bring our life changing services to the outlying invasions where poverty is severe and hope is missing. Our mission is to inspire and educate more generations of servant leaders to become advocates providing the poorest of the poor with a proven path to a life transformed.

Our journey continues. The needs are great but we know from experience that through the hearts, love, faith, and support of friends of the Mission that each day many steps are taken on the path out of poverty.
