

A JOURNEY Like No Other

Thank you for your interest in volunteering at the Friends of Chimbote mission located in Chimbote, Perú.

Friends of Chimbote is a faith-based organization dedicated to thousands of men, women, and children living in the barrios of Chimbote, Peru and surrounding communities who are desperate for a life without suffering in extreme poverty. Many live in shacks pieced together from woven reeds and cardboard, having floors of compacted dirt with no electricity, running water, or sewers. Policies & Guidelines

1. At least 4 weeks in advance of arrival all volunteers will provide the Volunteer Coordinator with details on their flight to Peru, hotel phone numbers, and transfer plans while in Lima, as well as travel plans to get to the mission. It is highly recommended that the volunteer seek advice from the volunteer coordinator before arranging travel to the mission from Lima, as well as a hotel in Lima, and that the volunteer be met in Lima by a mission representative. There is a fee associated with a mission representative meeting the volunteer in Lima that will be paid by the volunteer.

2. The volunteer program is managed by our partner and civil organization; Asociación Civil Apoyo Familiar (ACAF) and the volunteer will report to ACAF's volunteer coordinator when in Chimbote. Volunteers will meet with and receive orientation from the volunteer coordinator and applicable ACAF staff prior to beginning their volunteer assignments.

3. Volunteers will reside with an approved host families. A host family will be chosen in advance of your arrival. The daily rate for your host families is \$30 per day, which includes all meals, water, laundry and living space. This fee will be paid by the volunteer to the ACAF accounting department. The ACAF accounting department will keep track on your individual expenses during your stay and will communicate on a timely basis when balances are due.

4. Volunteers must commit to a minimum of a 6-week stay with a maximum stay of 3 months due to Visa regulations and be at least 18 years old or older. This ensures that the community benefits from the services offered by the volunteer while allowing adequate time for the volunteer to gain an understanding of the programs and services offered by ACAF and the parish to assist the poor in overcoming poverty.

6. Volunteers' primary purpose at the mission is to perform volunteer services. Volunteers will not accept payment for services performed either for the people of the mission nor from any mission visitors.

7. Any side trips out of Chimbote must be discussed and agreed upon in advance with the Volunteer Coordinator. A copy of the side trip itinerary and contact phone numbers must be provided to the Volunteer Coordinator prior to departure allowing for contact with the volunteer should an emergency arise.

8. The visitor quarters at the mission compound are available to volunteers during daytime hours until 10:00 pm at night. Wi-Fi is available there. However when short-term mission groups are present the volunteer will be mindful that the groups get priority and that there may be limited space for volunteers. Meals prepared for short term groups are done for a specific number of people and typically are not meant for volunteers who eat meals with their host families.

9. To optimize safety and good health volunteers will arrive home (host family residence) no later than 11:00 pm Monday – Thursday. Volunteers wishing to stay out later than 11:00 pm on weekends must first discuss this with their host family and agree upon an arrival time.

10. A volunteer should be aware of their own vulnerability and the vulnerability of others when working with minors. Volunteers should avoid any conduct that a reasonable person could misconstrue as improper.

Policies & Guidelines

11. A volunteer must not travel in a vehicle or meet alone in a closed room with an unrelated minor without another safe environment trained adult present, except in documented emergencies

12. Personal electronic devices may be brought with volunteers from home at their own risk. Use of such devices shall be limited so that the volunteer can focus on his/her mission experience. If use of these devices becomes excessive and interferes with the volunteer's activities the Volunteer Coordinator will address this.

13. Highly Recommend...Spanish will be the primary language spoken by volunteers both while working and during social times to promote Spanish skills and the volunteer experience.

14. Friends of Chimbote and ACAF are not responsible for the loss/theft of any personal property or money or any injury or exposure incurred by a volunteer.

15. Drugs, Tobacco, & Alcohol Policy: Healthy lifestyle modeling during your time with us in Chimbote is essential. That means absolutely no illegal drugs are permitted during your stay. In addition, no alcohol will be consumed by those less than 21 years of age or during working hours. If you do choose to use alcohol it will be in moderation. Lastly, tobacco use is discouraged and if used, will be only in specific designated smoking areas and is forbidden in mission barrios where estera homes are located.

16. Friends of Chimbote and ACAF are faith based organizations, the faith component of our mission is integral to who we are. If a volunteer questions or does not wish to participate in faith activities he/she will discuss this with the Volunteer Coordinator. Ultimately the volunteer's personal wishes will be honored.

17. Volunteers are responsible for all costs and fees associated with travel to/from Peru and Chimbote.

18. Travel Insurance is not required but recommended. Upon request, FoC can recommend a few options.
